Also a big thanks to all others who have helped to support the  
2011 Yearbook!

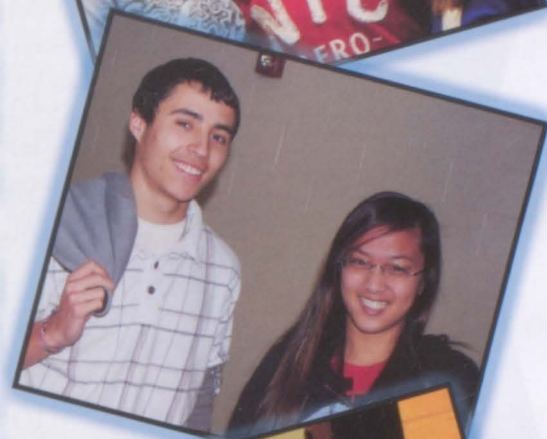

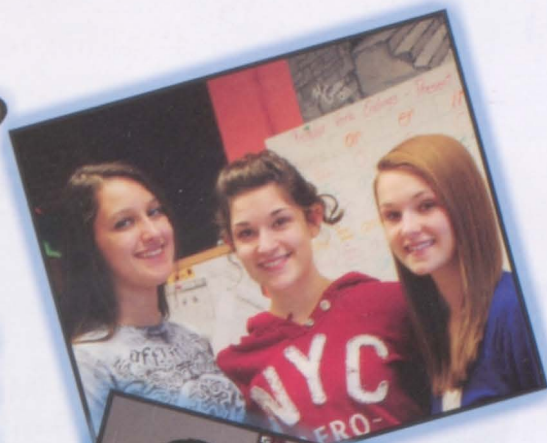

# Editor to Staff

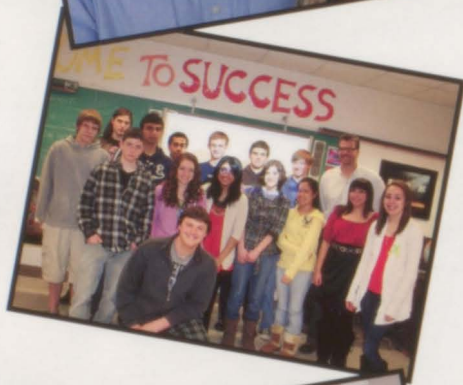

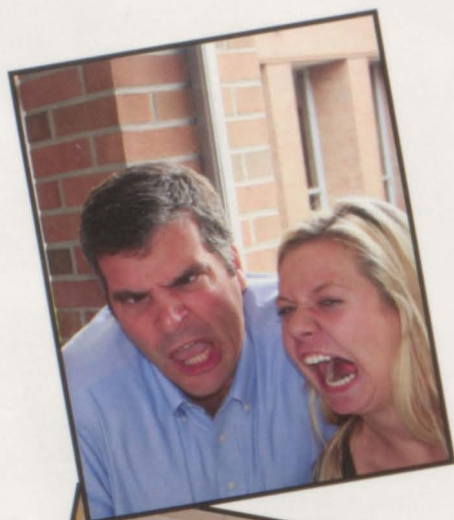

Yet again it was a tough but rewarding year. It's not easy to accomplish such a hard task with young staff; it's a learning experience for all of us. A lesson that I have learned this year is that when you commit to something you never give up. I'm glad, with all of our hard work and countless hours, that we pulled through. I couldn't begin to thank all of the staff who stuck through to the end. I'm very proud of everyone, especially Justin: Thank you so much for taking on the role of an editor half way through the year. Thanks to Jessie, not only for being the one senior on the yearbook staff, but also taking on the role of an editor. Thanks to Paige for your hard work as an editor and for all the help with the advertisements. Also thanks to Ashley for your hard work especially with proofing and checking names on pages as an editor. Last, but not least, Sra. Romero, we all greatly appreciate your loyal support to the yearbook staff and for being the wise voice in our decision making and problem solving. This has been a year to remember, great work!

**Sincerely,  
Editor In Chief  
Francesca Gentile**

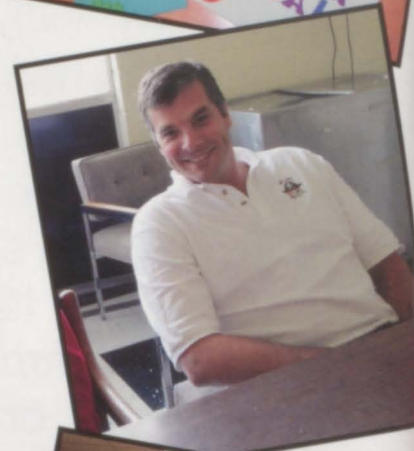

# Mr. Qua

Mr. Qua joined the faculty at WLHS in 2008 and was immediately embraced by the students and teachers. Before long he took control of the Social Studies department, where he showed his true colors as an effective leader. As a teacher he demands our maximum effort and motivates us to be our best. It is clear that he truly loves and is eager to teach. He treats us all with respect, shaking each of our hands after every class. Such admiration is reciprocated by his students. Mr. Qua is committed to befriending students in and outside of his classes and makes frequent appearances at games and other school events. He knows how to have fun too, with Bowtie Thursdays or nicknames for his students. His ability to teach is only outweighed by his ability to inspire. It is with gratitude and honor that we, the Class of 2011, dedicate our yearbook to Mr. Jason Qua.

-Daniel Kervick & Christopher Bole

I am honored to have been chosen by the Class of 2011 for the yearbook dedication. I arrived at WLHS during your sophomore year and over the last three years I have had the privilege to teach many of you. Furthermore, I have gotten to know many of you who I did not teach by going to sports activities, musical productions, school activities, or just saying hello in the hallway. 2011 is a fantastic class with a bright future ahead. There are many roads that you may journey down during life, be sure to keep your eyes open and your heads up. You may always turn left or right, and many different roads may be traveled in order to fulfill your dreams. Most importantly, follow your dreams, don't listen to the naysayers, and get out into the world and make it a better place. I am honored to have been chosen and I feel truly part of The Locks, thank you. Lastly for the historians at WLHS and for the record, "No, I did not shed any French blood!" Congratulations to the Class of 2011! - Mr. Qua

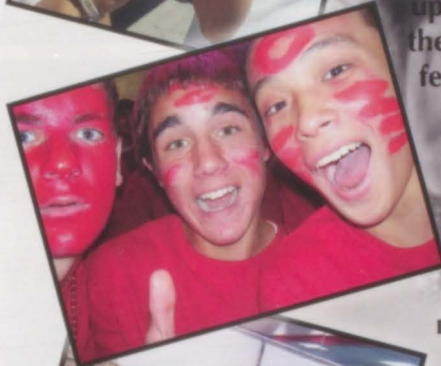

# Henry Dang

Our Friend  
1995-2010

Henry was a light in our lives, a light that reflected us in all our various colors and personalities. He loved us for our unique hues and tones. We loved him back for that. He illuminated our inner selves and the qualities that we didn't always show others---our humor, our compassion, our vulnerability. He shone with a limitless capacity for friendship. Although Henry was a young man of boundless joy, he knew what it was to be sad, as we all do. In an essay for his English class written on October 27, 2010, he gave us a light to help us in our dark moments.

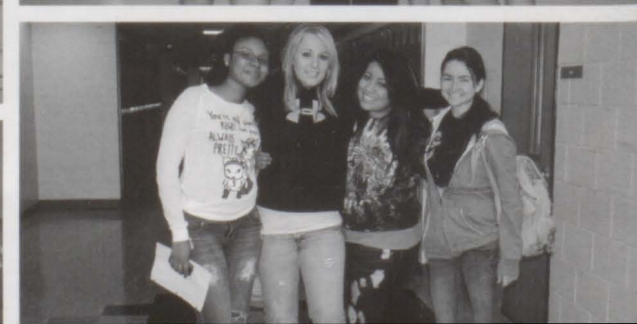

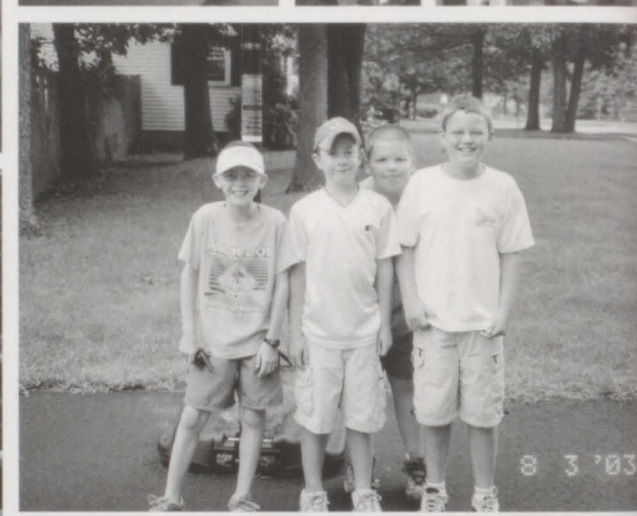

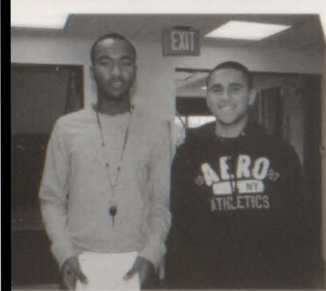

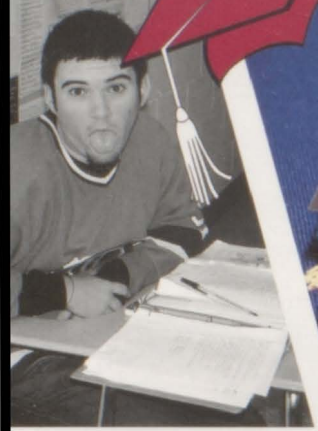

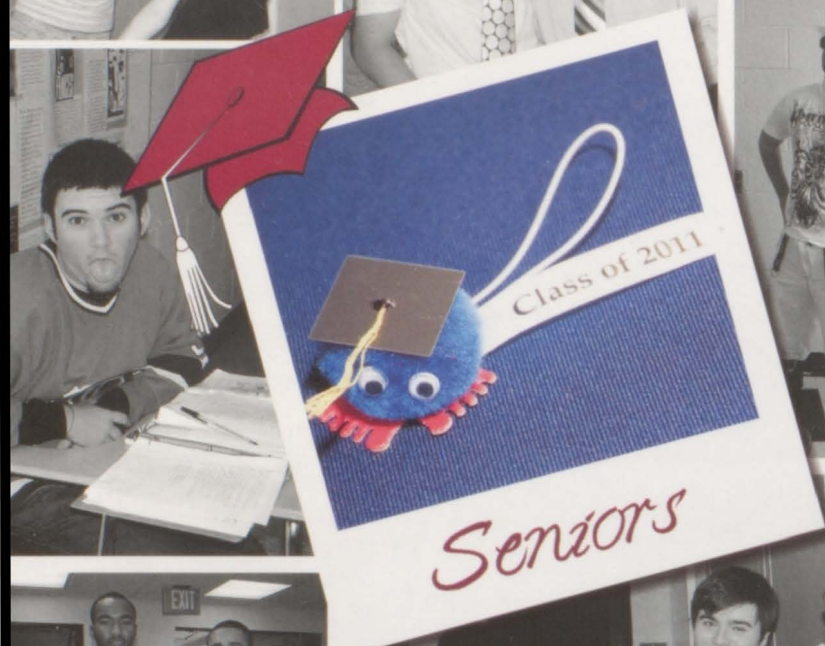

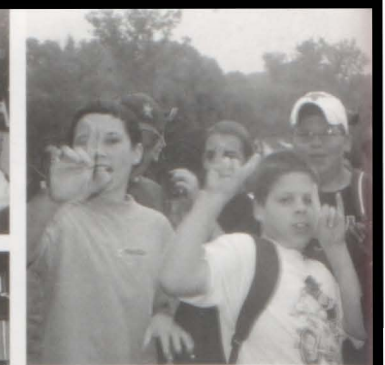

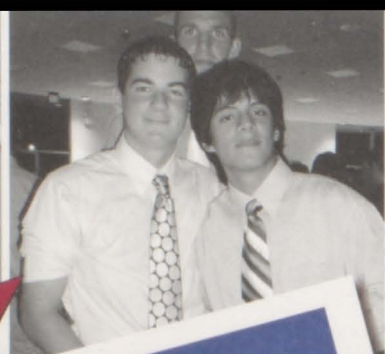

"The character in the story was in love with her garden. She always kept it going, even through the hard time that was happening in her life. I thought that was really inspirationally uplifting. That showed that even when the sky may seem the darkest, there is always that light that will help you. I feel like many people can connect with this theme fairly easily because everyone has a dark time in their life, and there is usually something that will help them and guide them. I personally can connect with this theme because I was really having a tough time with trying to figure out where I was or was going in life, but in my position, my garden was my friends. They helped me through all the way when I needed it most, and I love them for that."

"The selfless boy who was there for everyone when they needed him and who never asked for anything in return except for a smile," (Gabriella Gabrielson) doesn't show up in class these days. He isn't cheering us at our games or hanging out with us just to talk. But he has not left us. He will live with us, in each of our lives, much longer than fifteen years.

We "Got This."

## Tony Zhan

I have been to three different out of state schools during my high school years and this was my second year here at Windsor Locks, CT and I enjoyed my time here and I have experienced a lot. I would like to thank all of my friends and family for giving me their full support during those years. I would also like to thank all of the teachers and staff of WLHS.

# ~ Mrs. Linda Smiley ~ Forever in our Hearts

## "Friends"

~Michael W. Smith~

Packing up the dreams God planted  
In the fertile soil of you  
Can't believe the hopes he's granted  
Means a chapter in your life is through  
But we'll keep you close as always  
It won't even seem you've gone  
Cause our hearts in big and small ways  
Will keep the love that keeps us strong

And friends are friends forever  
If the Lords the Lord of them  
And a friend will not say never  
Cause the welcome will not end  
Though it's hard to let you go  
In the Father's hands we know  
That a lifetime's not too long to live as  
Friends

"I want you to look at the  
tip of my nose and pretend  
you are listening to me."

"Ms. Smiley can I go to the  
bathroom?" Ms. Smiley-  
"Not in the chair"

"Go computer, go, go computer!"

"Mr. S.....that wonderful man...."

"I want a cookie."

"Vocal Commotion"

"I see mouth's moving but all I hear is  
'bkdfdjlahdklah'."

"PEOPLE! Quit your yapping!"

"Dear Mrs. Paul..."

"Bad Matt Moore..."

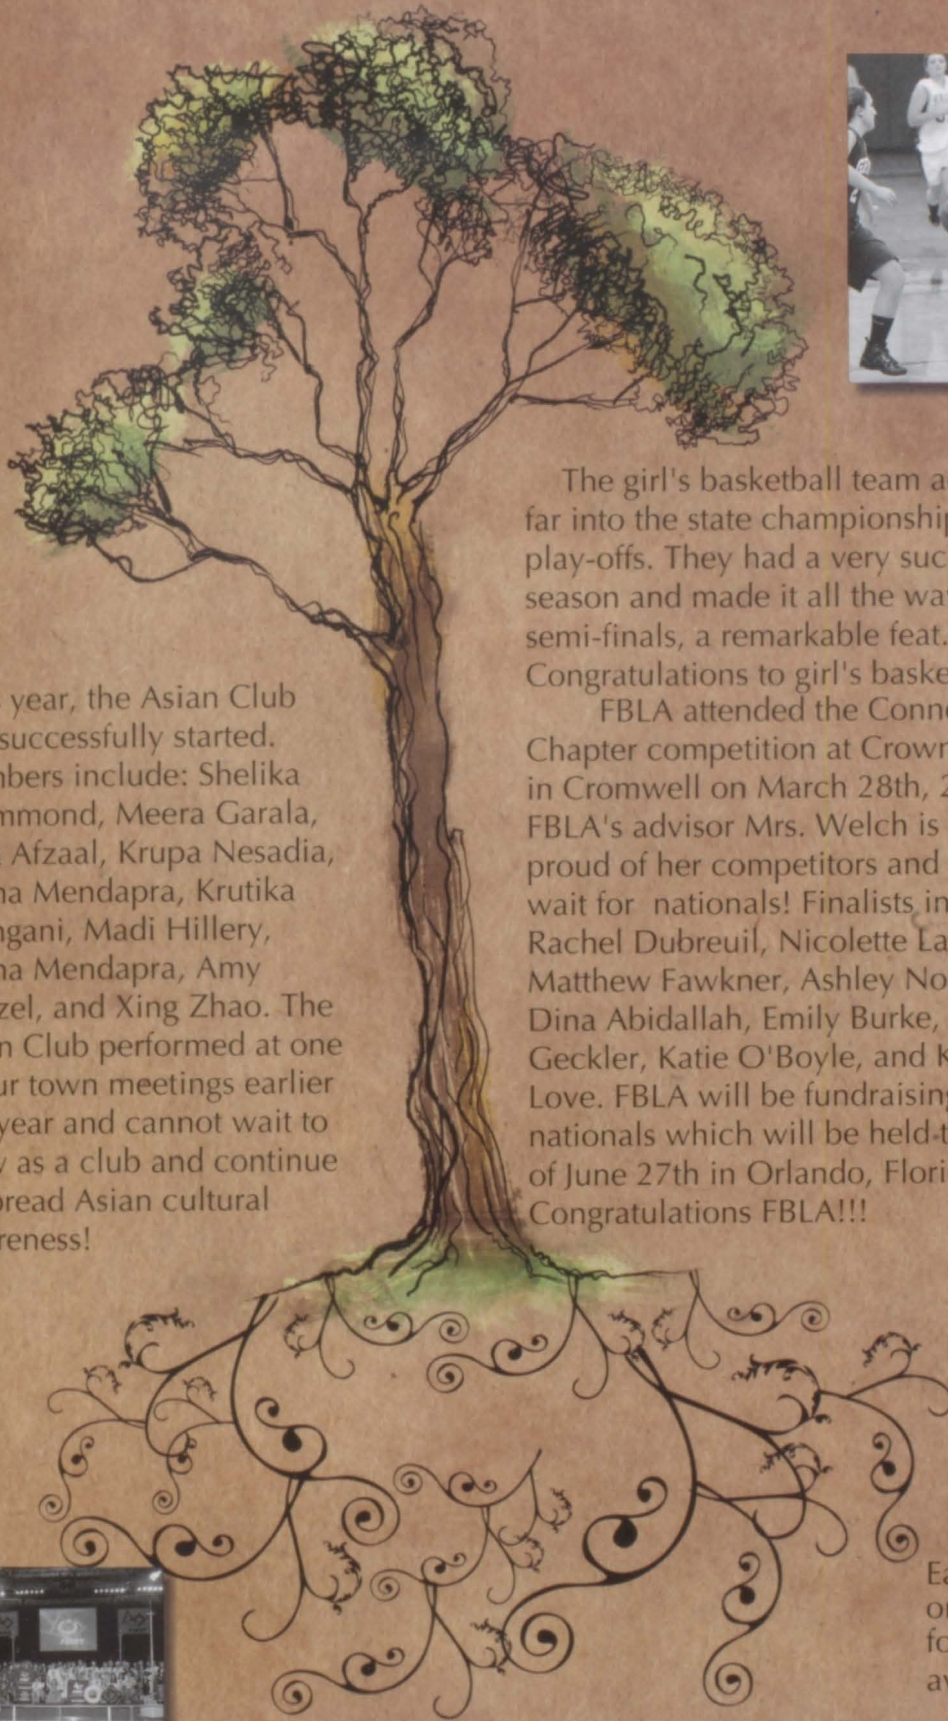

(Linda enjoying being with her Friends)

"They told me years ago that I had six months to  
live. I told my old carcus we weren't going  
nowhere... and we didn't."

# Windsor Locks Highlights 2010-2011

The girl's basketball team advanced far into the state championship play-offs. They had a very successful season and made it all the way to the semi-finals, a remarkable feat. Congratulations to girl's basketball!

FBLA attended the Connecticut Chapter competition at Crowne Plaza in Cromwell on March 28th, 2011. FBLA's advisor Mrs. Welch is very proud of her competitors and cannot wait for nationals! Finalists include: Rachel Dubreuil, Nicolette LaPierre, Matthew Fawcner, Ashley Novakowski, Dina Abidallah, Emily Burke, Nicole Geckler, Katie O'Boyle, and Kimberly Love. FBLA will be fundraising for nationals which will be held the week of June 27th in Orlando, Florida. Congratulations FBLA!!!

Town meetings have been a blast this year. Ms. Kelly has taken the role of emcee and has worked very hard to make town meetings special this year. Student leaders have stepped up to help with the meetings and awards as well. Highlights of this year's meetings include performances by Vocal Motion, Ms. Kelly, Chris Sibilia and Mark Sharife, the Asian Club, and more. Awards given ranged from working hard in the classroom to "favorite teacher award."

This year's Senior Class Play had a near record-setting audience, performing the hit Broadway classic "Grease." Cast members made memories they will never forget, each easily stepping into their respective roles to make the show unforgettable.

Vocal Motion competed at the Eastern Show Choir Festival in Waltham, on April 2nd, 2011. They worked hard for their well deserved "Best in Show" award.

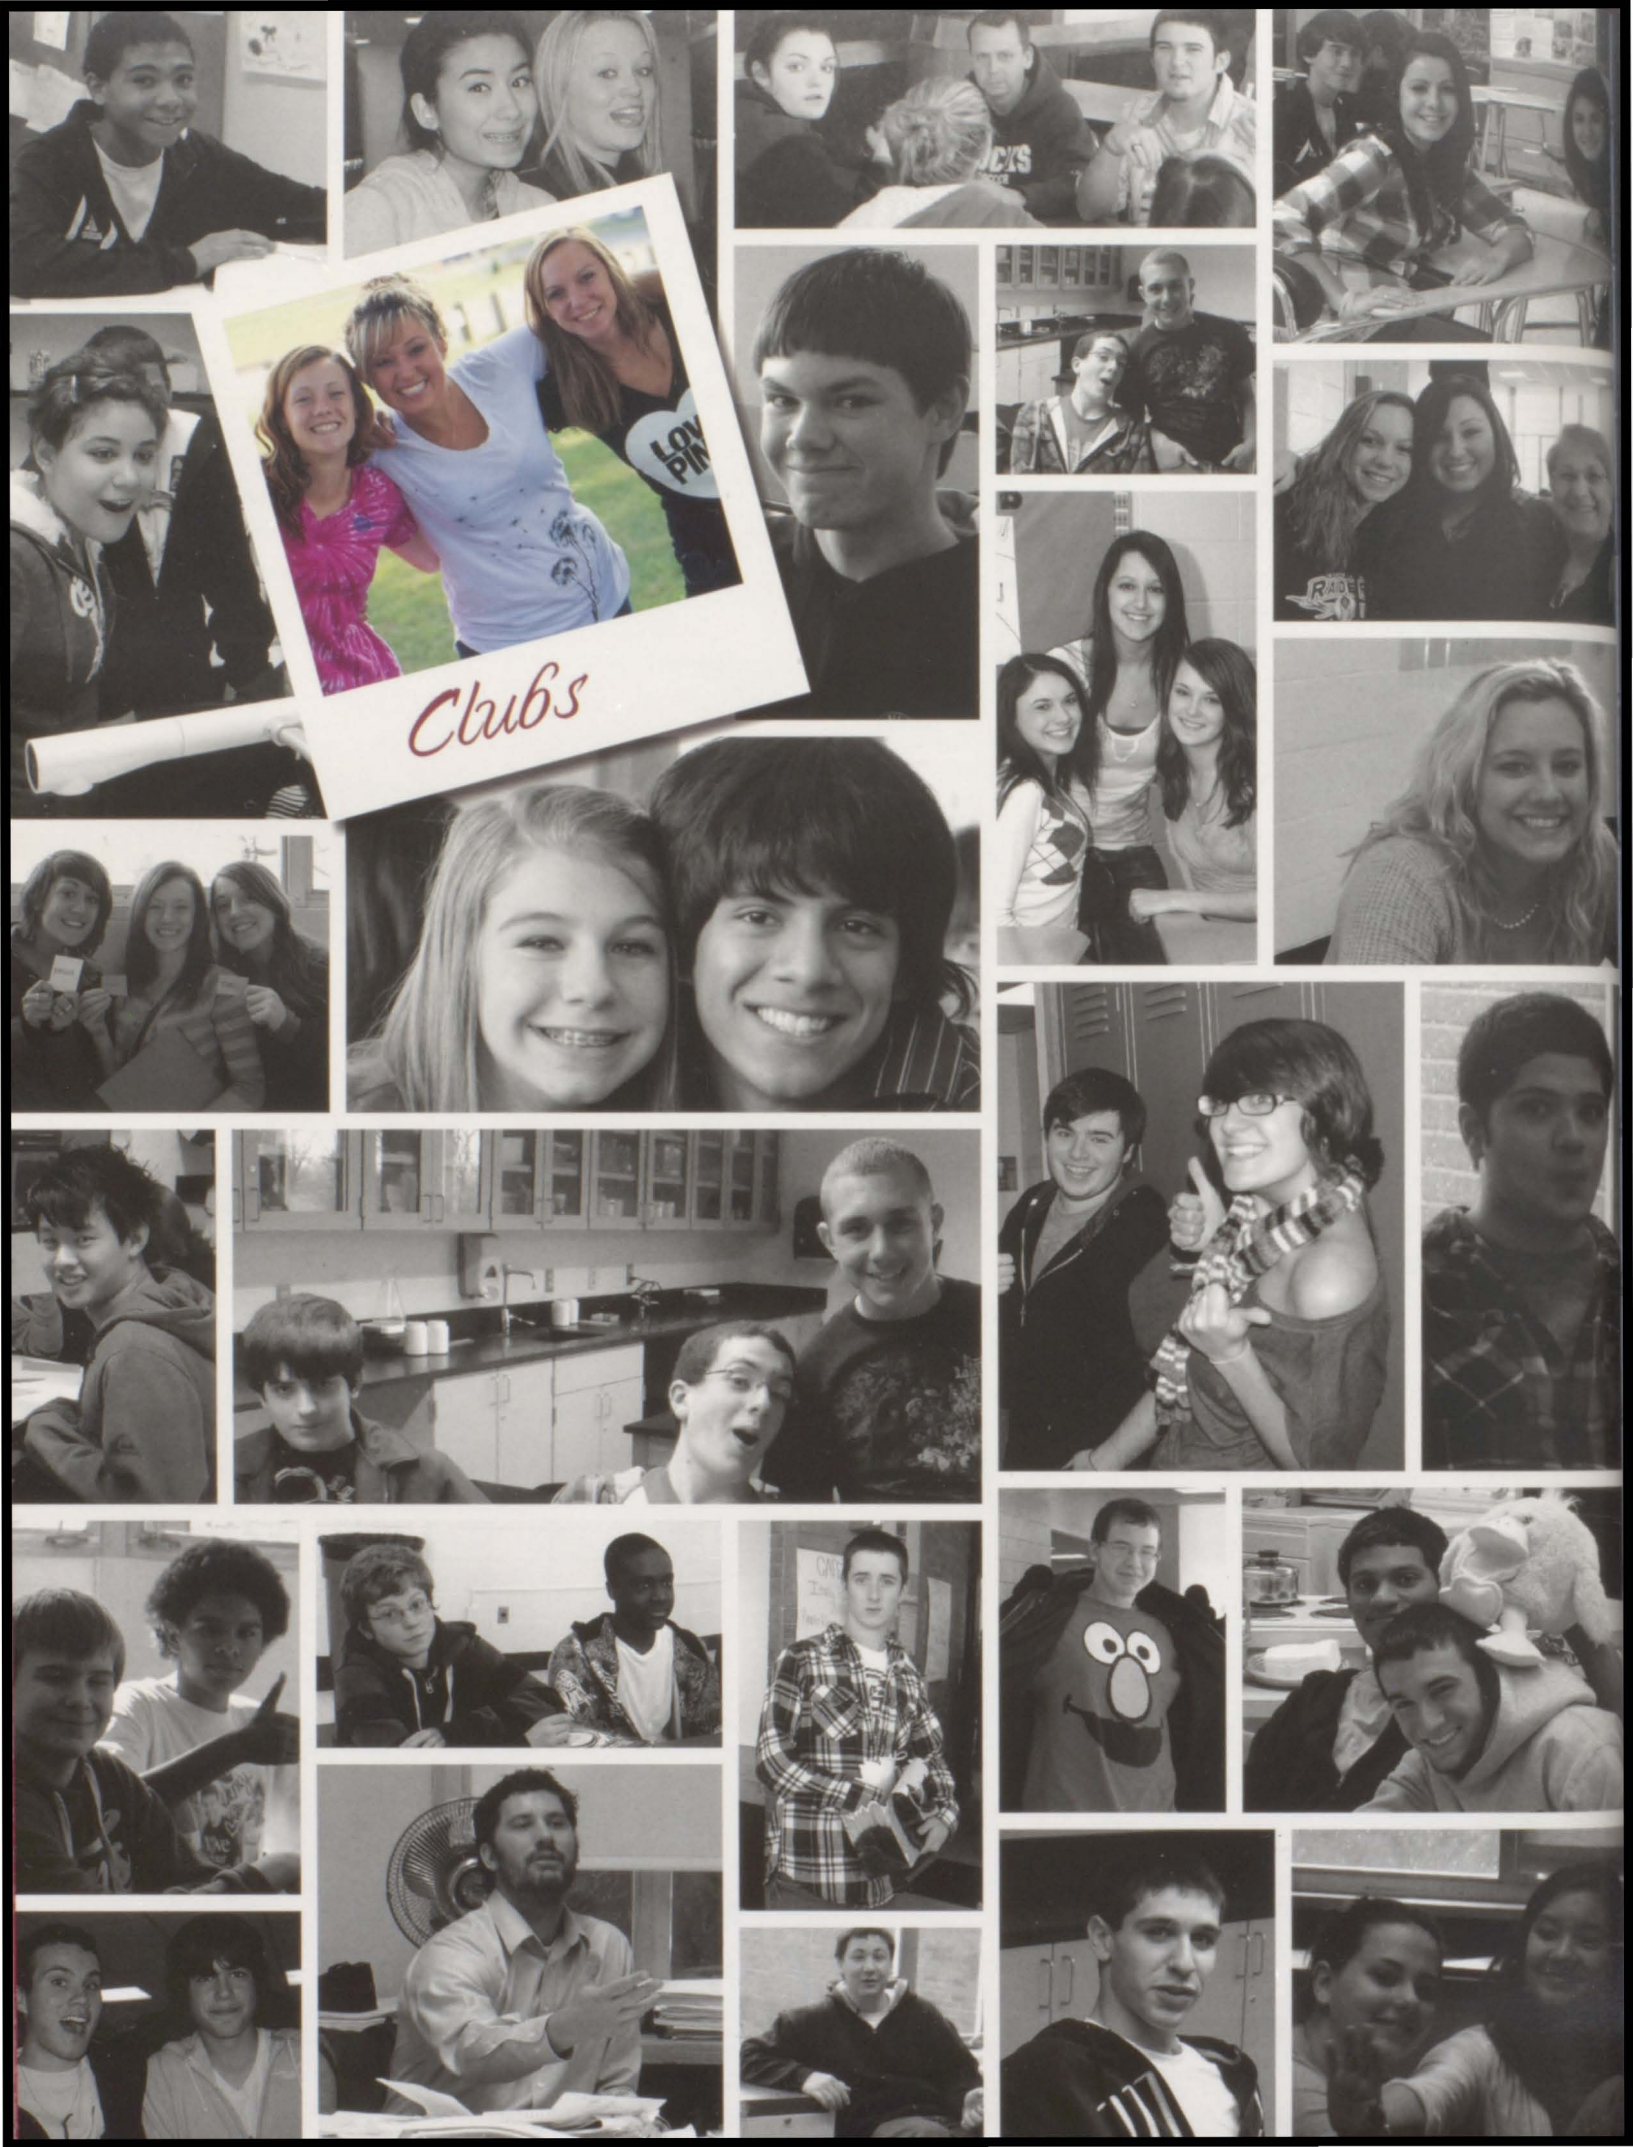

This year, the Asian Club was successfully started. Members include: Shelika Drummond, Meera Garala, Sana Afzaal, Krupa Nesadia, Radha Mendapra, Krutika Dhingani, Madi Hillery, Radha Mendapra, Amy Wetzel, and Xing Zhao. The Asian Club performed at one of our town meetings earlier this year and cannot wait to grow as a club and continue to spread Asian cultural awareness!

Congratulations to the Robotics team for making it to the semi-finals earlier this year. The team includes: Jesse Bessette, Jon DelGallo, Yash Delsania, Matt Fawcner, Radha Mendapra, and Rob Williams.

Kristina,  
We are so proud of you, your accomplishments and most importantly the wonderful young lady you have become. Your participation in Vocal Motion, the plays, band and jazz band have given us so many wonderful evenings of entertainment and joy. Show choir and band kids rock! ### **Congratulations Zach!**

We are so proud of you and all your accomplishments so far!

Stay true to what you believe in and you will go far in life. We love you.

~Mom, Dad,  
Ryan + Brett

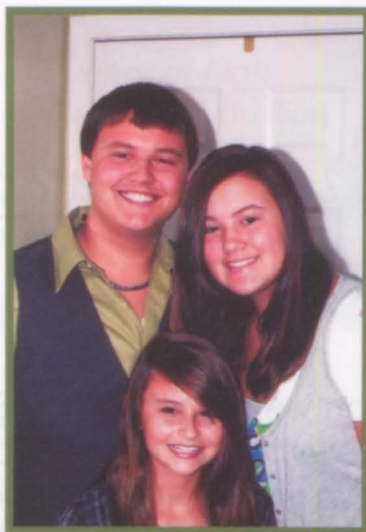

Ryan,

It seems like just yesterday, you were my slave master and we were running around in capes with cap guns, good times. I look up to you and your excellence. I love watching your plays. It's cool to say, "My brother's the lead" once in a while.

The memories we created are amazing, watching the meteor shower on the roof, reminiscing in the sunroom, "GO BACK!" from Luke, and all of the stupid little moments that we happen to remember the most. I love you big bro! Remember, "There's a great big beautiful tomorrow, shining at the end of everyday."

~Rachie

Dear Ryan,  
I can't believe I'm finally writing this. It feels like just yesterday you couldn't pronounce my name. You and I did everything together, and by everything I mean we were inseparable. We were there for each other through the laughs and the tears. The memories we have had will forever stay in my thoughts and I can't wait for the memories ahead of us. You will always hold a special spot in my heart and I will miss you dearly.

Don't forget to reach for the stars; I know you will go far in life.

"We keep moving forward, opening new doors, and doing new things, because we're curious and curiosity keeps leading us down new paths."

~Walt Disney~

Okay, I've had enough with the corny stuff.

GOOD LUCK GRADUATE :)

Your "twin",  
Rebecca

Ryan,

Where did the time go? It seems like it was yesterday you started kindergarten. You have brought us so much joy. Watching you grow from a cute little boy to a handsome young man.

You continue to amaze us everyday.

And now your time is here, graduation day. We wish you the best of luck.

We know you will succeed in whatever you choose in life.

Remember Ryan..... You DO Make Us Proud.

Love,

Mom and Dad

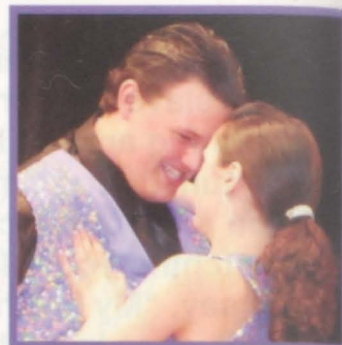

"All of our dreams can come true...if we have the courage to pursue them."

## Ryan Michael Paul

We have known you since you were a little boy. But you discovered yourself and showed us your "personality" in 8th grade. Your Power Company solo at Central Mass ignited a flame in your soul! Your self-confidence allows you to do anything for a laugh and to laugh right along with us! And your judges special award for a "smooth and silky" voice fits you!

We are so thankful to have been able to watch you grow, especially through these last 5 years. When you perform, your gift of natural talent can make us laugh, cry and swell with pride. Keep singing, acting and smiling!

*You DO make us Proud!*

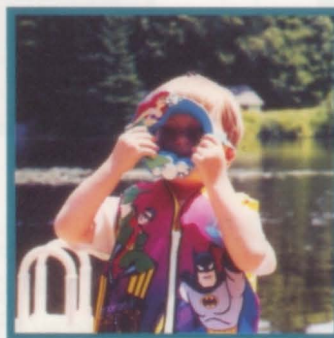

With love and admiration, from your extended family:

Paul, Vicki, Paige, Gram, Ed, Cathy, Tyler, Karen, Sam, KKO, Shelby and Ryan. (Lily and Madi too!)

My Dearest Ryan Michael,  
It has truly been by privilege to be able to know you and develop my relationship with you these past 5 years. Your talents are remarkable and you are such a pleasure to watch on stage, in your element, doing what you love the most: performing. You have inspired me to reach for the stars and to believe that I can do anything I put my mind to, but to also take life as it comes and enjoy the ride, because there is only one chance to do so. I cannot express to you how much I love you. I am so proud to say that I am your girlfriend and so happy to continue to be with you each and every day. We've had so many Ryan and Paige moments and special memories that we will carry with us for the rest of our lives. And now it is time for you to go to college and broaden your horizons. But you know that I will always be here for you. I am so proud of you and all you've accomplished. You are an amazing person and I love you very much. Don't ever forget that.

Forever and Always,  
Paige Gabrielle

Adam,  
Hoping your dreams take you to the corners of your smile, to the highest of your hopes, to the windows of your opportunities, to the most special places your heart has ever known.

We are so proud of you!

Love,  
Mom, Dad & Ryan

Congratulations and best wishes in your future endeavors! ~ *Sra. Romero*

*Class 2011*

## *Seniors*

*Today is just the beginning. Our lives start today. Today is the day we step out into the world we've grown to think we know so much about. Today is the beginning of the rest of our lives. As we stand face-to-face with the freedom we now have, I hope we keep a few things in mind: I hope we all reminisce about the people, places, and things that have once inspired us throughout our high school years; I hope we continue to find happiness in simple things; but most of all, I hope we all dream big, work hard, and turn out to be the incredible people we were meant to become.*
